

# RESEARCH MODEL SEMINAR

1<sup>st</sup> Announcement: Book the Date!  
Friday 1 December 2017

The Jackson Laboratory, Charles River Laboratories and SCANBUR will together with University of Bergen host a free-of-charge seminar on topics such as key differences among B6 sub-strains, genetic drift and how to minimize its impact on your research.

This seminar will take place on Friday 1 December 2017 at the University of Bergen.

More detailed information and an official programme will follow shortly.

Book the date! We hope to see you there.

Kind regards,

**Trude Sæterøy**
